**Comments:**

1. In my entire undergraduate and graduate career, Dr. Scheller is the most amazing professor that I've had the privilege of taking courses with. He explains the material thoroughly and in a way that makes it easy to comprehend and move forward. He is very intelligent and has a fantastic personality. He is very patient and compassionate about what he teaches. Please take good care of him. Other students must experience this wonderful light in the tunnel "on the path to graduation".
2. The professor was consistent, thoughtful, transparent, motivating, and always willing to help. I have been studying in UTEP for the past 6 years -attaining my bachelors & now my masters, and I can say that his has been by far the best class that I've ever taken.UTEP should hire more professors like Dr. Scheller, who are genuinely interested in student's learning and development.
3. the course is excellent for the degree program. I am a returning student after 20 yrs and truly feel Dr. Scheller is outstanding.
4. Dr. Scheller is the best professor in the MPA program thus far. He genuinely cares about the courses he is teaching and the students under his charge; with sincerity and absence of arrogance.
